ABOUT ETÓN

EMPOWERED BY NATURE

Etón's vision is to harness nature's energy to power consumer products that keep people prepared, informed, entertained, and on-the-go. Our commitment to high efficient energy sources and innovative technologies enables us to create award-winning products that empower you. From weather alert radios and backup battery packs to solar-powered sound systems, Etón keeps you connected, in the know and in tune. At home. In the office. On the road. Or in the great outdoors.

INNOVATING. FOR OVER 25 YEARS

It all started with radios. In 1986, Etón produced its first shortwave radio. In 2002, Etón introduced the FR200, its first hand-crank emergency radio. In over 25 years, we have developed loads of preparedness products that are ever evolving to meet your specific needs. And, we're honored that the brand that's synonymous with safety, The American Red Cross has chosen to partner with us on these products. But preparedness is only part of our story. Today we've extended our technology experience and design expertise to create high-performance products that entertain and inform.

PREPARING YOU. FOR ALL OF LIFE'S ADVENTURES

Etón is committed to helping people be prepared– for everyday fun and the unexpected emergency. Whether you're out on a 10-day backpacking trip or barbecuing with friends and family in the back-yard, Etón products are there for you. To keep you and your family informed. To let you play your music super loud. And to help you power up your mobile devices anytime, anywhere.

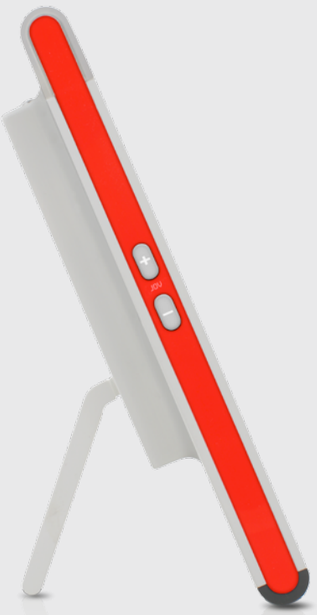
ZoneGuard

The flashing, dashing weather alert clock radio



WEATHER THE STORM

In style. This slim, sleek and super advanced weather alert clock radio will make sure you're safe and sound and in the know. Beacons flash and warnings blare to keep you aware and informed.

STAY ALERT

With S.A.M.E. technology (specific area message encoding), just enter your S.A.M.E. county code and if there's a weather advisory, watch or warning you'll see it–with green, orange or red lights–and hear about it, too. You can set up to 25 locations so you'll be safe, wherever you are.

LISTEN UP

Stay in tune and up to date with this AM/FM weather alert digital radio with LCD display and alarm clock.

GET POWERED UP

Simply plug in the ZoneGuard using the AC adapter or, for emergency backup, pop in AA batteries.

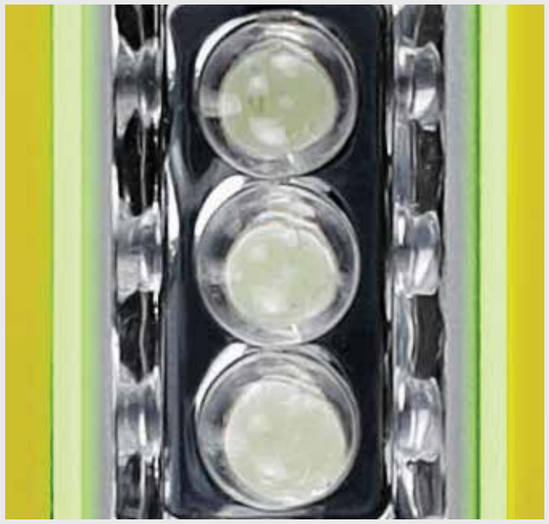
8oz (.23kg)

AM/FM and weatherband radio



Glow-in-the-dark locator

BE PREPARED

For anything. This all-purpose, rechargeable weather radio with hand turbine power generator will keep you all charged up and in the know. Use it for everyday or in case of emergency.

LISTEN UP

With this AM/FM/NOAA weather band analog radio you'll always be in tune and up to date. And, when you want to listen alone, just plug in your favorite headphones.

READY, SET, CRANK

Crank the hand turbine for a few minutes and produce enough power for 15-20 minutes of music, news and weather. You can also use the mini USB cable to charge the FRX1's built-in rechargeable battery.

LIGHT THE WAY

The bright LED flashlight is always handy...at home, at the office, or even in the car. And with the glow-in-the-dark locator, the FRX1 is always easy to find.

COLOR YOUR WORLD

The FRX1 comes in a ton of cool colors like yellow, purple, green, blue, white and silver to brighten up any room in the house, apartment or dorm.

FRX2

The multi-powered, smartphone-charging, weather radio that lights your way

USB smartphone charger

Headphone jack, DC power, and USB charging

BE PREPARED, STAY CONNECTED

This all-purpose, rechargeable weather radio with solar panel and hand turbine power generator will keep you in the know and well connected. Perfect for camping or that impromptu power outage.

LISTEN UP

With this AM/FM/NOAA weather band analog radio you'll always be in tune and up to date. And, when you want to listen alone, just plug in your favorite headphones.

MORE POWER TO YOU

The FRX2 powers up in multiple ways–via solar panel, hand crank, or built-in rechargeable battery.

READY, SET, GO

Crank the hand turbine for one minute and you'll produce enough power for 15-20 minutes of music, news and weather. Or simply charge it in the sun using the built-in solar panel. You can also use the mini USB cable to charge the FRX2's built-in rechargeable battery.

SAY HELLO

To charge your smartphone, simply plug it into the USB port. Power will automatically "dump charge" to your phone.

LIGHT THE WAY

The bright LED flashlight is always handy...at home, at the office, or even in the car. And with the glow-in-the-dark locator, the FRX2 is always easy to find.

FRX3

The multi-powered, multi-function, smartphone-charging, weather alert radio that lights your way

Charging your mobile device

Solar panel and glow-in-the-dark locator

SAFE AND SOUND

This all-purpose, rechargeable weather alert radio with solar panel and hand turbine power generator will keep you in the know, on alert, and well connected. No emergency kit is complete without it.

STAY ALERT

When the "Alert" function is on, the radio will automatically broadcast emergency weather alerts for your area such as hurricanes, tornadoes and severe storms.

LISTEN UP

Stay in tune and up to date with this AM/FM/NOAA weather band digital radio with display and alarm clock. There's also an AUX-in to play your own tunes and headphone jack to listen alone.

MORE POWER TO YOU

The FRX3 powers up in multiple ways–via solar panel, hand crank, built-in rechargeable battery, or traditional batteries.

READY, SET, GO

Crank the hand turbine for a few minutes and you'll produce enough power for 15-20 minutes of music, news and weather.

SAY HELLO

To charge your smartphone, simply plug it into the USB port. Power will automatically "dump charge" to your phone.

LIGHT THE WAY

The bright LED flashlight is always handy...at home, at the office, or even in the car. And the red flashing beacon is ideal for emergencies.

6.5" x 5.9" x 1.8"

16.3 x 15.1 x 4.6cm

1.2 lbs (.53kg)

USB port keeps your smartphone charged

Solar Panel

ROCK THE POOL

Or the campsite or the trail. Wherever there's sun, you've got an instant party. Connect wirelessly to any Bluetooth® enabled device and start blasting your favorite tunes in stereo sound. Our super-efficient solar panel powers both the music... and the fun.

GO WIRELESS

Stream all your music from any Bluetooth enabled smartphone, tablet or computer and control your tunes from your device. No wires. No docks. No hassle.

GET POWERED UP

Rugged rukus' incredible solar panel generates massive amounts of power to play your music all day long. When it gets dark, the internal lithium battery will keep the music going for 8+ hours*. Or you can use the micro USB cable with your smartphone charger for non-stop entertainment.

WAY TO CHARGE

Thanks to the USB port on the Rugged rukus, you can charge your favorite mobile device while you listen.

START A RUKUS

With two full-range speaker drivers, the Rugged rukus delivers crystal clear audio with stereo sound.

TUNES ON-THE-GO

With its lightweight, rugged[1], splashproof[2] design and carabiner-ready loops, it's perfect to take on your backcountry adventures, just hook it on and hit the trail.

[1] Drop-proof from a height of 3.3ft (1m). Drop protection varies depending on drop conditions.

[2] Water resistant to IEC 60529 IPX4. It is not waterproof and should not be immersed in water.

Bluetooth™ Wirelessly Connect to Your Device

BOOSTTURBINE SERIES

Crank it. Boost it. Use it.

BoostTurbine 1000

Battery pack that provides a 50% charge for most smartphones plus a crank power back-up

Charging your mobile device

Always have power when you need it.

MAKE YOUR OWN POWER

For everyday or emergency use, this backup battery pack with hand turbine power generator will keep you all charged up and connected. It features a rechargeable 1000mAh lithium battery for power when and where you need it.

DOUBLE DUTY

The BoostTurbine 1000 features a Micro-USB DC input to use with most smartphone chargers and a standard USB port for charging mobile devices. And when the BoostTurbine 1000 is all charged up, you have power for a 50% dump-charge to most smartphones.

CRANK IT UP

Crank for one minute and produce enough power for about 4 minutes of talk time and a few texts*.

KNOW YOUR POWER

Just press the button and the LED charge indicators will let you know how much battery charge you have left.

POCKET SIZED

Made with lightweight yet durable aluminum, it's handy enough to take virtually anywhere. Stash it in your pocket, purse or pack for a power boost.

1" x 2.2" x 5"
2.5 x 5.6 x 12.7cm
6.4oz (181g)

* Based on charging a typical smartphone with a 1500mAh battery and normal phone usage - not excessive battery drain, that batteries on both the BoostTurbine and smartphone are NOT completely dead, and that the turbine rotation is at a constant 2 rotations/second.

Charges Smartphones and USB Devices

USB Output 5V/1A

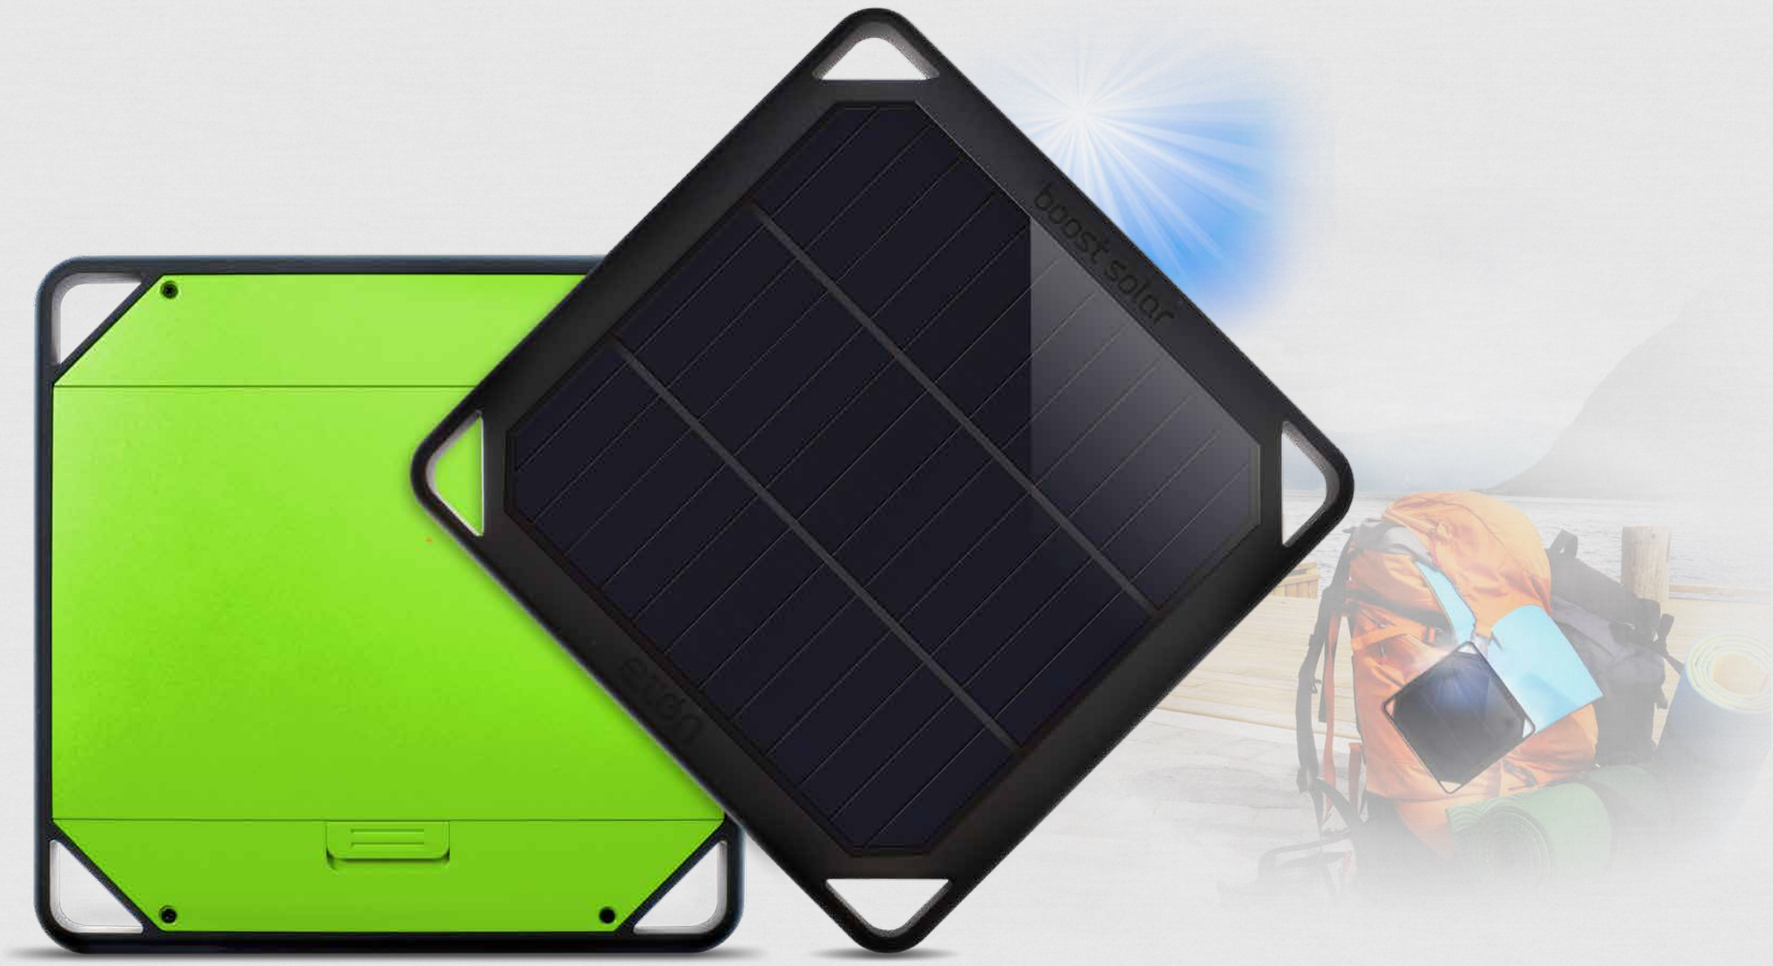
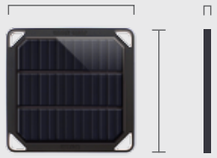
BOOSTSOLAR

Pack it in. Power it up.



BoostSolar

The solar-powered backup battery pack that will fully charge most smartphones twice and can also charge tablets



6" x 5.9" x 0.5"

15.4 x 15.1 x 1.35cm

11.7oz (0.33 kg)

Pack it in. Power it up.

GET A BOOST FROM THE SUN

Go outside and play but always make sure you've got power with the BoostSolar. This solar-powered backup battery pack features a rechargeable 5000mAh lithium battery for long-lasting reliable power–wherever and whenever you need it.

KEEP WALKING AND TALKING

When the BoostSolar is all charged up, you'll have enough backup power to fully charge most smartphones twice and with the 2.1A USB out you can also charge your tablet.

ALL CHARGED UP

And ready to go. In addition to charging in the sun, the BoostSolar features a Micro-USB DC input for use with most smartphone chargers. Use the standard USB port for charging mobile devices.

[1] Drop-proof from a height of 3.3ft (1m). Drop protection varies depending on drop conditions.

[2] Water resistant to IEC 60529 IPX4. It is not waterproof and should not be immersed in water.

ALL-WEATHER, ALL-TERRAIN

BoostSolar has a rugged rubber exterior[1] and an IPX-4 rating[2], so it's super sturdy and splashproof–for every adventure. And the built-in fastener loops make strapping it on to a backpack a cinch.

KNOW YOUR POWER

Just press the button and the LED charge indicators will let you know how much battery charge you have left.

BACKUP FOR YOUR BACKUP

Simply unsnap the removable battery pack and pop in another for unlimited backup power. BoostSolar battery packs sold as accessories.

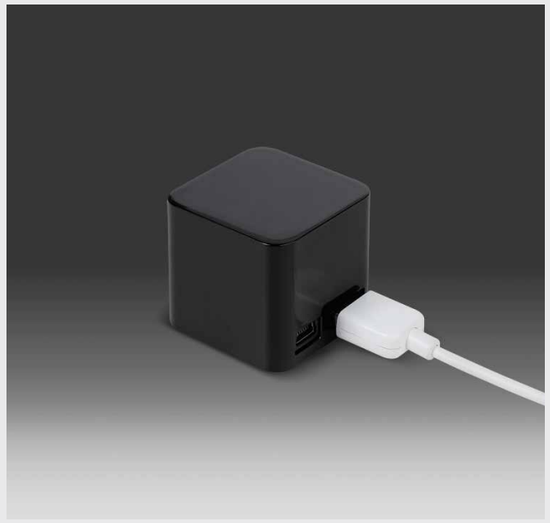
*Specifications are subject to change. 1.800.872.2228 (USA) 1.800.637.1648 (CANADA)

BOOSTBLOC SERIES

Small in size. Big on power.

BoostBloc 2000

The lean and mean backup battery pack providing one full charge to most smartphones



Charging your mobile device

Perfect for jet setting

BOOST YOUR POWER

Perfect for jet setting and trail blazing, this small and mighty backup battery pack features a rechargeable 2000mAh lithium battery for long-lasting reliable power.

GET RECHARGED

When the BoostBloc 2000 is all charged up, you'll have enough backup power to recharge most smartphones once.

DOUBLE DUTY

The BoostBloc 2000 features a Micro-USB DC input to use with most smartphone chargers and a standard USB port for charging mobile devices.

KNOW YOUR POWER

Just give the BoostBloc 2000 a shake and the LED charge indicators will let you know how much battery charge you have left.

HANDY DANDY

As a leader of preparedness products Etón is honored to offer the Red Cross Collections by Etón—quality, dependable, reliable products that provide access to power, information and light when you need it most, whether at home, at school/office or on the road.

DEDICATED PARTNERS

Etón combines its leadership in the preparedness product industry with the strong safety initiatives of the American Red Cross and Canadian Red Cross. Through these collaborative partnerships we have been able to help communities throughout North America by providing tools that offer power, information and light during times of emergency whether large or small – from hurricanes, to earthquakes, to storms and power outages.

GIVING BACK

Etón is a proud supporter of the Red Cross. With every unit sold from the American Red Cross and Canadian Red Cross by Etón product lines, Etón donates a portion of the sale back to the Red Cross, furthering our commitment to the well being of communities worldwide. With a shared mission of keeping families safe and prepared, Etón is honored to have helped millions of households.
